Dear Goodtemp™ Customer:

Effective immediately, Howred Corporation will be implementing a 17% increase due to a 25% tariff from Mexico. This will be shown as a separate line item on quotes and invoices. As your manufacturing partner, we value the strong relationship that we have built together. Our commitment to delivering high quality products while still maintaining competitive prices will always be important to our business.

Our standard terms will continue to be as follows:
2% 10 days, 1% 30 days, Net 60.

We thank you for your business and appreciate your interest in our Goodtemp™ products.

Please let us know how you want us to proceed with any open purchase orders.

Very truly yours,

HOWRED CORPORATION
